DETAILED ACTION

- A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on 6/9/2006 has been entered.
- Claims 1-12 and 17-27 are pending.

Allowable Subject Matter

1. Claims 1-12 and 17-27 are allowed.

The following is an examiner's statement of reasons for allowance:

Regarding claim 1, prior art of record does not disclose, in single or in combination, at least one input port programmably reconfigured such that a first programmable configuration of at least one input port to store data in a first input routing queue associated with a first output port, a second programmable configuration of at least one input port to store data in a first input routing queue associated with a second output port different from the first, at least one output port programmably reconfigured such that a first programmable configuration of at least one output port to store data in a first output routing queue associated with a first input port, a second programmable configuration of at least one output port to store data in a first output routing queue
